PUBLIC NOTICE OF ALL CUSTOMERS OF WINDSOR SANTIARY DISTRICT NO. 1

The Windsor Sanitary District NO. 1 has filed an application with the Public Service Commission of Wisconsin (PSCW) to increase water rates. The increase is necessary because of a 311 percent increase in gross plant investment and a 158 percent increase in operating expenses since the last water rate case in 1996.

The total increase in water revenues requested is \$85,142 which will result in an estimated overall rate increase of 37% over the water utility's present revenues. If the request is granted, the water bill for an average residential customer with 5/8 inches or ¾ inch meter who used 1,000 gallons of water per month will increase from \$20.61 to 22.50, or 24%.

A telephonic public hearing on the application has been scheduled for Tuesday, August 17, 2010, at 1:00 p.m. in the Windsor Sanitation Building, 6716 Park Street, Windsor, Wisconsin. Scheduling questions regarding this hearing may be directed to the PSCW at (608) 266-3766.

If you have any questions, please contact Kenneth Womack, President, Windsor Sanitation District NO. 1 at (608) 846-5464.
